Ad Text Muhammad Ali, the greatest boxer this world has ever known, is no more. The fact that he is gone is difficult to come to terms with; for years, Ali was renowned as a larger than life figure, the greatest, as he called himself, and the demise of a man of such a high stature is surely a void that can never be filled.

In the world of sports, Muhammad Ali will forever be known as the boxing legend who won 56 bouts over the period of a 21-year career. In popular culture, he will be remembered as the man who was not afraid when it came to speaking his mind -- someone who was not shy of talking about things unrelated to boxing, and would always take the right stand when needed.

He risked his career and reputation by opposing the US-Vietnam War. Furthermore, he refused to serve in the US Army and in the process, was accused of committing a felony.

Now that he is gone, this world is left with memories, and a void that cannot be filled. May Allah rest his soul in peace and paradise!!!
